

MULTI-WASTE

Multi-Waste (Jet Park) (Pty.) Ltd is a significant regional provider of services within the waste management sector.

This pledge declares our commitment to high standards of road use and good driving behaviour so that our operations have the minimum impact on the communities in which we operate.

We undertake to:

- Ensure that all our drivers sign up to this pledge;
- Investigate all complaints and take action when possible;
- Report action on complaints to complainant;

We pledge:

- To check that our vehicles are roadworthy and operate without significant defects;
- To ensure the loads on our vehicles are stable and secure and to use nets to prevent wind blown debris;
- To keep our vehicles clean and neat;
- To ensure that our loads are accompanied by the correct legal documents at all times;
- To ensure that our vehicles operate within legal limits;

GOOD DRIVING PLEDGE

- To choose the most suitable routes for the vehicles;
- To drive in such a way as to minimize our impact on others by:
 - Driving courteously;
 - Keeping to the speed limit;
 - Observing all traffic rules;
 - Adjusting speed in accordance with weather conditions;
 - Driving defensively;
 - Not intimidating other road users;
 - Keeping safe following distances;
 - Driving in such a way as to minimize fuel consumption and noise.
