

# MULTI-WASTE

**Multi-Waste (Jet Park) (Pty.) Ltd is a significant regional provider of services within the waste management sector.**

We recognise that we have a moral and legal duty of care towards protecting the health and safety of employees and others who may be affected by our activities.

To this end and so far as it is reasonably practicable Multi-Waste will:

- carry out our business activities in compliance with our health and safety policies and procedures and applicable health and safety legislation;
- provide the resources necessary to ensure that the standards described in this policy are achieved and sustained;
- clearly define the internal responsibilities for health and safety and ensure that our systems and procedures are enthusiastically and consistently applied;
- methodically identify the hazards and risks associated with our business activities and mitigate these so as to prevent injury and/or ill health;
- ensure that all our employees are trained so that they are competent to ensure that their own health and safety and/or that of others is not detrimentally affected by their work activities;

## HEALTH AND SAFETY POLICY

- continually improve our health and safety performance through establishing objectives and regularly reviewing our performance in achieving them;
- ensure that our suppliers pay due regard to matters of health and safety;
- ensure that employees-and others as necessary-are aware of this health and safety policy and seek their support in achieving an accident free and healthy workplace.
