Dear Mr Dolan

WE ARE GRATEFUL FOR YOUR CONTRIBUTION

The year is off to a galloping start and we are grateful that we are still able to provide services to more than 1 000 children and young adults.

- We have taken in new children in the place of those that left our care at the end of last year.
- The kids are all at school and appropriately dressed in suitable uniforms.
- Despite increases in bread prices, we still provide sandwiches to take to school.
- We take some comfort in the lower fuel price that will mean that the kids can get to school.

All these things have been made possible because people like you have continued your support despite the worsening economic and agricultural situation in our country. We are deeply grateful to you for your generous gift of hope.

Thank you for your contribution.

Regards
